

STANFORD CENTER FOR PROFESSIONAL DEVELOPMENT

GUEST SPEAKER RELEASE FORM

Current Class

I/we hereby grant Stanford University ("Stanford") permission to use, encode, digitize, edit, transmit, archive and display the video and audio of my participation in the course European Entrepreneurship and Innovation Thought Leaders (ME421) given at Stanford University on the date of: _____, 2009, as well as to use my name, voice, likeness, biographic information and ancillary material in connection with such video or audio.

I/we understand that this lecture will be made available as a streaming media file to enrolled participants in the course through the SCPD's website (<http://scpd.stanford.edu>) as well as broadcast over one or more television channels which are received by member organizations of Stanford Center for Professional Development ("SCPD"). I/we also understand that edited "video clips", an audio recording ("podcast") and/or photographs of this lecture may also be made available to the public through the course website, Facebook group or LinkedIn group, or through another Stanford website.

The use of third-party images and materials are covered by The Teach Act and by the Fair Use doctrine or face-to-face teaching exception for their inclusion in my presentation.

General Distribution

Stanford University extends many of its seminars and presentations by distinguished Stanford faculty, senior researchers and industry experts to the public for free through efforts such as SCPD's Select Seminar Series (seminars.stanford.edu), Stanford on iTunes U (itunes.stanford.edu), and the Stanford Technology Ventures Program (<http://stvp.stanford.edu>).

If the Presentation and Presentation Materials are my own original material or material for which I/we have full authority to grant the rights set forth in this Release, I/we hereby grant SCPD and the School of Engineering permission to make the presentation, video clips, or an audio recording from the presentation available to the general public through its website, the course website and/or through SCPD's or School of Engineering's distribution partners via streaming media and/or physical media including download.

In addition to creating an archive copy for educational purposes, possible uses of the Presentation Recording also include, but are not limited to, the creation of CDs or DVDs. Stanford may grant you a non-exclusive license to use the Recording for non-commercial purposes upon request.

The rights set forth in this Release are granted on a royalty-free and irrevocable basis.
